ORDER

This matter is before the court on the parties' Joint Status Report filed on December 23, 2014. These petitions for review were abated by order entered June 30, 2014. The parties were directed to file a status report in 90 days, unless other action by the court was requested. The parties have submitted the required status report.

Upon consideration, these petitions for review will remain abated. Consistent with our June 30 order, the parties shall file a joint status report in 90 days to advise the court whether the parties are fulfilling their settlement agreement obligations. If the parties would like to ask the court to take action other than continuing the abatement, however,

they may file joint or separate status reports or a motion at any time to make such a request.

If and when the obligations in the settlement agreement have been fully satisfied, the parties shall file a joint motion to dismiss the petitions voluntarily. *See* Fed. R. App. P. 42(b).
